Choose one of the "squares" that you made in TOPIC 20-5 or make a new one. Make this into an object such as an animal, a plant, a person, etc. (Be creative) Trace it below and sketch the tessellation. Once you've made this preliminary sketch, cover the back of this page ENTIRELY with your tessellation. Begin by drawing your first square at the center of the page, then tessellate the "square" around it until the entire page is covered. This will count as HALF of a TEST GRADE. Due dates: May 23 rd if exempting, May 25 th if not exempting. GRADING RUBRIC 1. Sheet covered entirely with modified square (20 pts) 2. Tessellation done correctly (20 pts) 3. Modified square is attached (10 pts) 4. Modified square is designed into an object (20 pts) "Extra effort & creativity = more points 5. Tessellation is colored with a minimum of 3 colors other than black & white (30 pts) PRELIMINARY SKETCH The preliminary sketch is due Monday, May 21 st for an assignment grade.	NAMEPER
